

Call for Paper

Special Issues of The Asia Pacific Journal of Accounting and Finance (APJAF)

on:

“The Accounting Profession towards ASEAN Economic Community”

Submission deadline: November 30, 2014

I. Background

In conjunction with the 5th International Accounting Conference which is proudly to be presented by the Department of Accounting, Faculty of Economics, Universitas Indonesia, we would like to invite you to submit your papers for its special issues of the Asia Pacific Journal of Accounting and Finance (APJAF). The main theme of the special issues will be “The Accounting Profession towards ASEAN Economic Community”.

This theme discusses the competencies required by accounting profession in the ASEAN Economic Community (AEC) 2015 era. AEC 2015 will make significant changes to the accounting profession not only to the national level but also to the ASEAN regional level as we are facing our readiness of accounting profession. The rise of accounting profession, how the accounting profession got where it is today especially the case for Asia and all of the emerging markets, the dynamics of the accounting profession, deterioration in accounting professional values, the history of the accounting profession, the financial accounting knowledge, conceptual framework projects and the construction of the accounting profession, and importantly looking at the readiness of the related institutions towards AEC 2015 are the main issues that will be outlined during its special issues of the Asia Pacific Journal of Accounting and Finance (APJAF).
